EXAMINER'S AMENDMENT

1. An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

Authorization for this examiner's amendment was given in a telephone interview with Attorney **Michael J. Musella**, Registration No. 39,310 on 3/10/05.

The application has been amended as follows:

Claim 1

Step (9), line 2, after “—message to—” delete “—determine to which phone number—”

Step (9), line 2, after “—message to—” add “—select a homezone or non-homezone call forwarding phone number to which—”

2. The following is an examiner's statement of reasons for allowance:

The independent claim recite call forwarding service where calls are forwarded to homezones and non-homezones and a limitation for the following:

“analyzing, by the HLR of the terminating subscriber, the transfer number request invoke message to select a homezone or non-homezone call forwarding number to which the present call should be redirected”

The prior art of record teaches call forwarding to telephone number but does not select a homezone or non-homezone telephone number as recited in the limitation. New search updates

Art Unit: 2645

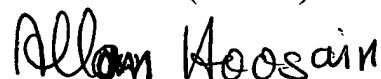

revealed no other prior art which teaches the limitation in the context of the claims. Therefore claims 1-7 are indicated allowable.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Any inquiry concerning this communication or earlier communications from the examiner should be directed to **Allan Hoosain** whose telephone number is (703) 305-4012. The examiner can normally be reached on Monday-Friday-8 am to 4:30pm.
